Profile

Amjed Studio is a passionate graphic designer with over 5 years of experience, specializing in branding and social media design. With a strong background in multimedia, I create unique visual identities and designs that effectively communicate brand messages and engage audiences. I also offer training sessions in design and branding, helping others develop their skills and improve their design strategies.

Professional skills

Branding & Visual Identity Design: Expertise in creating distinctive brand identities, including logo design, color schemes, typography, and brand guidelines.

Social Media Content Creation: Proficient in designing eye-catching and engaging content for social media platforms, helping brands build their online presence.

Creative Strategy Development: Ability to develop creative strategies that align with client goals, delivering impactful visual solutions.

Time Management & Deadline Adherence: Strong ability to manage multiple projects efficiently while meeting deadlines without compromising quality.

Client Communication & Collaboration: Excellent communication skills, with a focus on understanding client needs and providing tailored design solutions.

Freelancing & Remote Work: Experience in freelancing, managing projects independently, and collaborating with clients globally.

Design Tools & Software: Expertise in Adobe Creative Suite (Illustrator, Photoshop, InDesign), Figma, and other design tools for creating high-quality work.

Work Experience

Over 5 years of experience working on diverse design projects for various industries, including technology, healthcare, F&B, and e-commerce.

Specialized in branding, logo design, and social media content creation.

Provided training and workshops in design and branding for individuals and groups.

Worked as a freelancer for clients worldwide, offering creative solutions and on-time deliverie
